11) A Copy of the Jail Manual, Vol II, is obtained & put up as directed.

12) The effect of the amendment now proposed by the Residency would be to extend to all prisoners from the C.S. Stn., the privilege of getting from the B.C. Jail Supdt, money advances to cover travelling & subsistance allowances to return to their homes. This privilege is accorded now to only military prisoners in the existing rules: The suggestion of the Residency is for orders. The I.G of Prisons is in favour of the suggestion:

Vol II. Appx II pp 20 & 21

13) The proposal of the I.G. of Prisons to extend the system of giving Subsistance allces also to prisoners convicted by Singore Courts may perhaps be dealt with Separately - (vide rule 457 of Singore Jail Manl.)

14) This occasion may perhaps be taken to have the rule re Cost of maintenance of C.S. Stn. prisoners amended. The present rates viz "Rs 84/- per head per annum for Indians & Rs 120/- per head per annum for Europeans & East Indians" Seems much lower than the actual charges incurred by the state on these prisoners. The I.G. of Prisons may, if approved, be asked to investigate this aspect of the question & Submit definite proposals.

17) The present rule is indefinite as it lays down no scale of travelling or Subsistence allowances that is admissible to released prisoners. The proposed rules make this point clear and we need have no objection to carry out these rules. The charges will be advanced by us and recovered from the C & M Station.
A draft to Resy to say that the

Sir,

With reference to your letter No.G. 7010/Pris 51-25-2 dated 2nd March 1926 re: the"payment of road expenses to Military Prisoners on release", I have the honour to state that the suggested draft rule may be adopted and extended to prisoners convicted by Mysore Courts also, as every released prisoner asks for subsistence allowance, when his home is at a distance of 5 miles and above, from the nearest Railway Station. To prevent released prisoners misleading the Jail Officers and exaggerating the distance of their homes from the nearest static I would suggest that every Court sentencing a prisoner may be required to note on the warrant, his residence and its distance from the nearest Railway Station.
